PRINCIPAL'S REPORT

The first semester ended with great highlights. Christ the King Catholic School was very appreciative of our generosity and partnership this year for our Sponsor-A-Family Christmas Service Project. We also had a beautiful Christmas Program organized by Mrs. Leonard. We are now in our second semester of the school year. Our AdvancED accreditation visit will occur next week, Jan. 15-17. Mrs. Shriver shared with the council our school profile & highlights that were written in our report. Plans for the Gala are coming along nicely and we are all looking forward to a great evening.

The teacher committee has met and are making plans for Catholic Schools Week which begins on Jan. 27th. We will have students participate at all masses that weekend with parent testimonials. Students that wear their uniforms to mass can get a free dress coupon. We will also distribute "Future POP Student" buttons to incoming kindergarteners that register. Student Council has been planning our Faith Rally #CardinalsCare Event which will take place on Friday of Catholic Schools Week. Winter MAP testing will begin next week for some grades and Kansas Assessment Predictive Interims will continue in February.

OTHER INFORMATION SHARED

2019-2020 Enrollment will begin soon. We sent letters about enrollment to all 4/5 year olds enrolled in POP EEC as well as all 4/5 year olds whose families are registered parishioners at POP. We have 1 more Stay & Play scheduled for this spring. We have a few new families each time which is great! We are looking to form a marketing committee for the 2019-2020 school year to help with new initiatives. We also hope to have POP yard signs for sale in the near future, possibly at the GALA if they are ready.

The council also approved 90 chromebooks for the gala's fund the need. This will replace the mini laptops on carts A, B, & C.

STRATEGIC PLANNING

The School Council was tasked with reviewing and brainstorming in all areas of the strategic plan in efforts to move ahead with the strategic plan. The council reviewed the Strategic Plan's Implementation Worksheet for curriculum/learning and sustainability.

The next meeting is Tuesday, February 12, 2019 at 5:30 in the office conference room.
