

Parents,

If you are looking to get more involved in youth sports and enjoy the sport of basketball, we can use you at Prince of Peace! Our current Basketball Director Keith Lueckenotto is in his last year in the position, and is able to train up his successor. This is a fantastic opportunity for an organized individual to help Prince of Peace with our basketball program.

Interested parties need to be Prince of Peace parishioners and VIRTUS trained. It is also helpful if you have coached a CYO sport in the past.

See Eric Pickert at popolathecyo@gmail.com if interested.
