

# Prince of Peace

## Adoration Ministry Overview

*Starting July 29, 2022*

*This set of guidelines and protocols replaces any previous lists.*

### Adoration Protocols

1. PLEASE DO NOT SHARE THE CODE TO THE CHAPEL DOOR. It is very important this request be honored. Any questions, etc., please contact Luan Billam, Coordinator (contact information below).
2. Please direct any questions and/or concerns to one of the Ministry's Day Captains or the Coordinator.
3. When you enter the external Chapel door, there is a sign-in book to the right. Please place your initials in the appropriate "date column" on the sign-in sheet. For the first time, you will probably need to write your name in the appropriate day/hour space. The next time sign-in sheets are printed, your information will be available.
4. On Tuesday, Wednesday, and Friday evenings; one of the 9-10pm adorers from that hour will "repose" Jesus. If you have not done this before, it is a very simple task that will take less than five minutes to complete.
5. Please be respectful of our Lord when you come to visit Him in His home.
6. Please be considerate of your prayer partners during this quiet and reflective time with Jesus.
7. Please introduce yourself to your prayer partner(s) and be sure to share your contact information with them. Please work with your prayer partner(s) to make sure the hour is covered. It is also a very good idea to note the contact information of those folks scheduled before and after you in case you need to contact them.
8. Your Day Captain is your first point of contact. Please let her know of changes to your contact information or schedule; if you would like to change your day or hour of Adoration; and/or if you are unable to continue covering your hour. She will also be the one contacting you with any schedule alterations or door code changes. Day Captain and Coordinator contact information is available on each of the sign-in sheets.

Thank you for being a part of the Adoration Ministry.
