

PRINCE OF PEACE SCHOOL COUNCIL MINUTES-APRIL 11, 2017

Members Present: Jane Shriver, Melinda Yaklin, Kelli Thompson, Jason Stewart & Jackie Stahl

PRINCIPAL'S REPORT

The next few weeks will be very busy as we finish the school year. Our 8th graders will be confirmed next week & our 2nd graders receive 1st Communion at the end of the month. Next week, 10 teachers, Mrs. Shriver & Fr. Jerry are traveling to St. Louis to attend the National Catholic Educational Association (NCEA) Convention. They will present what they learn to the faculty on April 24th. All scheduled Kansas Assessments were completed today and make-ups will begin next week. Spring MAP testing will begin April 25th. Field Day is coming along with the new parent organizers sharing great ideas. The school year will be over before we know it.

OTHER INFORMATION SHARED

Staff Changes: Mrs. Meade, our art teacher, has moved on to other endeavors. She is a fantastic artist and we wish her well.

Mrs. Shriver presented the PTO Budget items. Highlights are new teacher computers, classroom desks/chairs, new library management program and 4th & 5th grade reading books.

Mrs. Shriver & Fr. Jerry will meet with Fr. Andrew of St. John Paul II parish to discuss next year's subsidies. POP is grateful for JP2's subsidies this year even though they just started as a parish.

Mrs. Shriver will look for Prince of Peace Parish parents to fill the upcoming openings on the school council in efforts to share representation among the parishes. We thank SuzAnne Starkey & Jason Stewart for their service during their term on the school council.

STRATEGIC PLANNING

The School Council will work on the strategic plan with planning worksheets starting in September.

This was the last meeting for the 2016-2017 school year.
